WORK FROM HOME PROJECT **(First Assignment for April, 2020)** **CLASS VII**

Dear Parents,

We are concerned due to prevailing situation where everyone including our students are quarantine at home. We wish you all to be safe at your home. To utilize students time purposefully and to keep them in contact with studies, **Work From Home Project** is designed.

Work From Home Project is comprised of two assignments i.e. First assignment carrying 50 marks for the month of April while second assignment for the month of May will also be of 50 marks. (May assignment will be given in the month of May). These 100 marks will be included in the **Mid Term Examination Result**.

Please keep a check on your child to ensure that he/she has learnt the oral work thoroughly and completed the written assignments neatly. Stress must be laid on his/her English and Urdu Hand writing. Given assignments must be done on Test Note books provided with the Book sets. The child is required to be serious in this respect.

Work From Home Assignments must be submitted to the concerned teachers on the first day of school after vacation. Late work will not be accepted.

Kindly make a time table for your child and monitor that he/she is engaged in healthy activities. For your convenience list of a few healthy activities is mentioned below.

1. Reading books
2. Watching educational and motivational videos/documentaries
3. Writing daily routine for doing productive things
4. Story telling
5. Reciting Holy Quran with translation
6. Painting/calligraphy
7. Exercise
8. Home cleaning
9. Gardening
10. Playing different indoor games

Your personal interest and co-operation regarding completion of your child's work from home assignments and different healthy activities will help to build a strong bond between you and your child and will provide an opportunity to learn from each other.
